A Picturesque Touch.—At each end of the barge used as a boat landing for the Santa Cruz ferry an arbor of leaves has been erected to serve as a protection from the sun's rays for passengers or others waiting for the boats. The arbors add a picturesque touch to the landing.

One Transfer.—Realty transfers have begun to "fall off" in the county clerk's office as usual at this season. Only one was recorded today, that of the Harlingen Land and Water Company to Peter C. Holt, transferring 20 acres of land near Harlingen. Consideration \$1,000.

The highest single score made at box ball at the Brownsville Sporting Goods Company was made by K. H. McDavitt, who rolled 153. The highest partner score made was by Henry Bell and Joe Katool, who rolled 271. Beat these scores and get a box of fine cigars. Brownsville Sporting Goods Company. 11

School Fund Depository.—At a meeting of the city school board this morning, the Brownsville Bank and Trust Company was made the depository of the school fund. There were three bids opened, each of the local banks making a bid. That of the company named offered the best interest on the funds, giving five per cent interest, compounded.

The county commissioners' court which has been in session here during the week adjourned yesterday afternoon until July 5th. About eighty land owners in Cameron county were summoned to appear before the court at the next meeting to render their property, most of these being corporations and owners of large tracts of land.

Tournament Practice.—Arrangements have been made with Sergeant Fugitt, who has charge of Fort Brown, for those who wish to enter the Fourth of July celebration, to practice between the hours of five and seven o'clock in the afternoon, excepting Sundays. The poles have already been erected over the course on which the races are to be pulled off.

At the Airdome.—On account of the schedule of the St. L. B. & M. railroad, the vaudeville team that was to arrive here from Galveston in time for a performance at the Airdome tonight, failed to make connection. The team will arrive in the city tonight, however, and open their engagement at the Airdome tomorrow night. Tonight a regular motion picture performance will be given at the Airdome for which a charge of 5 and 10 cents will be made. 11

Wedding Anniversary Dinner.—Tomorrow will be the second wedding anniversary of Dr. and Mrs. F. C. Sizelan and Monday the fourth anniversary of the wedding of Judge and Mrs. Noah Allen.
